Welcome

Holy Apostles Preschool welcomes you!

Founded in 1976, H.A.P is a state licensed and nationally accredited NAEYC preschool program for children ages three through six.

The program is developmental in nature, focusing on the cognitive, social, emotional, physical, and spiritual growth of each child.

In the atmosphere of a Catholic community, social events throughout the year provide family members with the opportunity to come together, share ideas, and have fun.

Our classrooms are designed for children to grow and learn in a clean, safe, creative, and caring environment.

The preschool is staffed by highly qualified early childhood professionals who are also trained in infant and child CPR and pediatric First Aid. Each class is led by a teacher, who is aided by an assistant.

Early Learning naeyc ACCREDITED Program

Our Mission

We lovingly invite all children in partnership with their parents to our nationally accredited (NAEYC), developmental program as we prepare them for the path ahead in a nurturing, safe, Christ-centered environment.

Parent Cooperative

As a parent cooperative, family involvement is encouraged and required periodically to enhance the role parents have as the first and most important teachers of their children.

Tours

Parents are welcome to observe the program by contacting the director and arranging a time to visit. Please call the school with any questions about the program or for information about registration.
