

## **Holy Apostles Catholic Education Tuition Assistance Scholarship Fund**

Thanks to the generosity of a parishioner, Holy Apostles Catholic Church is able to offer scholarships for Catholic education. These scholarships are available to students who are currently enrolled at Holy Apostles Preschool or who attended Holy Apostles Preschool for at least on full year. The other requirements for eligibility include:

- All applicants are expected to be regularly attending and contributing to Holy Apostles Catholic Church and provide documentation for proof.

- All scholarships are intended for enrollment in Holy Apostles Preschool or a Catholic grade school or high school within the Diocese of Colorado Springs. College scholarships are intended for Catholic institutes (university, college, institute) in or outside the state of Colorado.

The individual awards range from \$500 to \$1,000 and will be awarded directly to the educational institute.

Application deadline is **April 29, 2024**. Applications received after this date will not be considered. The award will be paid directly to the institute in June of 2024.

Any scholarships that are not awarded in the fall will be made available in the spring. All applications will be reviewed by a scholarship committee made up of members of the Preschool Advisory Committee. All applicants will be notified if they will be awarded the scholarship or will need to reapply the following semester/year.

Please carefully review the materials and submit the completed application packet by mail or email to the address given below. Application packets may be submitted directly to Holy Apostles Catholic Church parish office but must be in a folder or envelope addressed with the information below.
